

LIGHT OF THE LORD

Paul Krueger

When I listen to my heart
And leave all other messengers unheard
I seek comfort in His house
And wisdom in His word
When I listen to my heart
Reminding me my debt's already paid
I climb high upon His rock
And I am not afraid
Oh, in His stronghold
Oh, I'm alright

There's a light ever shining in the darkness
There's a light ever warm within my soul
There's a light filled with love coming down from above
It's too bright to be ignored - it's the light of the Lord

When I listen to my heart
I pray the Lord will guide me every day
And if my path is less than straight
His light will show the way
Oh, through His mercy
Oh, I'm alright

Chorus

I will sing "Hallelujah", I will dance and shout
There's a light from my Creator and it won't go out (3x)
I will sing "Hallelujah", I will dance and shout
It's a light for all creation and it won't go out
I will sing, I will sing, I will sing... "Hallelujah!"
