

ONLY BY HIS MERCY

Paul Krueger

If you ask me about my Savior
I'll tell you of His love
Pure and unconditional
A blessing from above
And long before I knew Him well
His love was there for me to find
If I opened up my eyes, opened up my heart
Opened up my mind

Chorus:

It is only by His mercy
That a sinner such as I
Can reach out for His hand, say "I don't understand"
Then find the strength to try
It is only by His mercy
I can come into this place
Drop down to my knees, pray "Father, hear me, please"
And rest in His embrace

If you ask me about my Savior
I'll tell you of His grace
A gift of The Divinity
For all the human race
And long before I knew Him well
His grace was there for all to see
His grace is there for you
His grace is there for me
